

Silent Outreach

Take your Bible and find a place where you can observe many people and yet be quietly by yourself.

Observe the people and ask God to give you an eternal perspective to see these people as He sees them. After a few minutes, read the following passages:

- a. John 3:16-18
- b. II Thessalonians 1:6-10
- c. Matthew 24:42-51
- d. Matthew 9:36-38
- e. John 4:35
- f. Ezekiel 33:8-9
- g. Revelation 7:9-12

Then after a few minutes, ask yourself:

- a. What was my life like before I came to know Christ?
- b. Where would I be if Christ were not in my life?
- c. Do I love people like Christ does?
- d. Do I have a burden for the lost?
- e. What is keeping me from coming to Christ?

Praise God for your own salvation!

On the back, summarize what you learned and share it with your group.
