

Skills for the Christian Walk By Jim White

1. Read, meditates, study, and memorize the word of God daily. .

- No practice can take the place of daily time spent in His Word.
- Virtually every self-inflicted problem in our lives results from a failure to seriously reflect on Scripture before acting.
- What God wants to say to you is the most important thing.
- Understanding spiritual truth and having an encounter with God are important.

How does giving God's Word top priority affect our lives practically day by day? Are you giving the word supreme consideration? How can you tell?

2. Pray alone daily and with others often.

- Supplication: personal needs.
- Praise & adoration: Just praise Him!
- In intercession we seek the grace of God for an individual or individuals, so that fellowship with God and usefulness for Him will be established or maintained.
- Thanksgiving: We are to be thankful.
- *Matt.2 22, John 16:24-23, Mark 11:24, Jer. 33:3, Phi/. 4:6-7, Lam. 3:22,23, Matt 5:24 1 Tim. 1-4.*
